HOW TO ACCESS HOOPLA

What is Hoopla?

Hoopla is now available through the Middlesex Public Library. Use your library card to access movies, music, ebooks, audiobooks, comics, and more!

Items can be viewed on your computer or via the Hoopla app on mobile devices like Kindle, iPad, iPhone, and Android. Users have simultaneous access to the content, so you never have to wait for someone else to return it before you can view.

You can borrow up to five items each month.
